HM Customs Drugs Raid

On Friday the 23rd of February 2018, intelligence was obtained regarding a drug dealing establishment in Varyl Begg Estate. Acting on this intelligence, members of the Flexible Anti-Smuggling Team (FAST) from HM Customs executed a search warrant on a residence on Varyl Begg road at around 17:45hrs.

As a result of this search, a total of approximately 10 grams of Amphetamine and 50 grams of Cannabis resin were seized. Also seized were scales and other drugs paraphernalia. Although the seizure is not of a large quantity, the disruption of the drug dealing establishment is significant.

The street value of all the drugs found is estimated to be around £500.

A local 57 year old male, who resides in the property, was arrested and has been bailed out while further investigations are carried out.
