

STATEMENT BY THE GSLP AND LIBERAL PARTIES

20th September 2007

LEADERS' DEBATES

The GSLP Liberal candidates and their election agents were made aware yesterday of the decision by the GBC to exclude Mr Azopardi from the Leaders' Debates and Interviews to be organised by the GBC.

The GSLP Liberals immediately communicated to Mr Azopardi yesterday that the GSLP Liberals had no problem in Mr Azopardi being included in the Leaders' Debates and Interviews to be organised by the GBC during the campaign on both radio and television.

In answer to Mr Azopardi's request, we are happy to repeat and confirm this position in public.
