

STATEMENT BY THE GSLP/LIBERAL OPPOSITION

171/2009

14 December 2009

The Opposition would like to congratulate Kaiane Aldorino on her spectacular success in being crowned Miss World over the weekend.

Last night, the Leader of the Opposition Joe Bossano proposed a toast to the new Miss World at the annual Christmas dinner of the GSLP and dedicated the event to her victory.

The Opposition considers that this is an unprecedented honour and a great achievement which has placed Gibraltar on the map.

Commenting on the matter, Shadow Minister for Culture Steven Linares said:

“Everyone in Gibraltar is extremely proud of Kaiane for the exemplary manner in which she has conducted herself in the weeks before the final. It was already a record for Gibraltar that she won the Miss Beach Beauty contest and reached the final 20 in the competition.

That she should have gone on to win the Miss World title is itself magnificent for Gibraltar. We are sure that she will be a great ambassador for Gibraltar during her reign as Miss World.”
